Artem Lonishyn
Full-Stack Developer

I really like programming. I am constantly learning something new and strive to write very beautiful and high-quality websites. I developed my own diary website for students, which I wanted to launch in Ukraine. I took additional courses and am now working on a new full-stack project.

Work Experience:

Web Developer, Shoteps (Freelance), Ukraine
November 2022 - March 2023

I had the opportunity to work with a team on an app for a Startup

Sheet Metal Worker, Italy
February 2024 - Present

I am working in a company as a metalworker, warehouse manager. We repair used machines.

Full-Stack Developer, Dipluv (Freelance), Italy
June 2025 - Present

I'm currently working on my full-stack website where i practice my software skills.

Courses:

Course on LETPY "The basics of Python programming"
October 2022 - March 2023

Course JavaScript on "learnjavascript.online"
April 2024 - August 2024

Course Web of JavaRush
September 2024 - October 2024

Course React on "react-tutorial.app"
November 2024 - January 2025

Course TypeScript on "learntypescript.online"
March 2025 - May 2025
